

**Heart Disease  
is the #1 killer of  
all men and women!**

**Schedule a heart health check-up today!**

- *Are you at risk for a heart attack or stroke?*
- *Do you have blockage in your legs?*
- *Do you want to know if you have an abdominal aneurysm?*

Our special package of screening tests helps answer these questions to determine your risk of stroke or heart attack, possibly saving your life. Interpreted by our Board Certified Cardiologists in our accredited labs for only \$199, this special screening package includes:

- Abdominal Ultrasound • Carotid Ultrasound
- ABI-Ankle-Brachial Index (indicating peripheral vascular disease)
- Blood Pressure screening • Lipid Profile
- HsCRP (indicating coronary risk) • EKG

**You can also have a Coronary Calcium Scan done for an additional \$49.  
This test helps tell us if you have coronary artery disease now.**

*The Stern Cardiovascular Center  
will have monthly Vascular Screening Days.*

We are now open on Thursday evenings for all heart check ups, please call for appointments.

**Don't hesitate!  
Schedule your appointment  
today by calling  
901-271-4192.**

The  
Stern Cardiovascular  
Center  
Commitment. Compassion. Excellence.
